Hotel Kaerntnerhof, in the heart of the 1st district, just minutes from St Stephen's Cathedral, proves that the best things come in small packages and the prices are exceptional for the location. Single rooms are small, with simple furnishings and a pale-grey colour palette to create calming little oases. Despite the small size, you still get all the bells and whistles packed in – a work desk, free wifi, a shower and a complimentary breakfast with vegan options. If the weather is nice, enjoy the view from the rooftop terrace.
